

# EXPERIMENTAL REMINDERS

Post this BLOSA supplement at the beamline and remind users of the following requirements and information:

---

## ACCESS

- ID Badge** Users must have a current, valid BNL ID Badge or appointment  
Appointment dates are printed on the Safety Approval Form (SAF)
- Training (NSLS)** User's training must be valid (dates for A & B are printed on the SAF):  
(A) General Employee Radiological Training (GERT)  
(B) NSLS Safety Training  
(C) Cyber Security  
(D) Other training identified on the SAF or by beamline
- TLD Issued** User must obtain and wear a Thermo Luminescent Dosimeter (TLD) if user is:  
(A) Regularly on the experimental floor  
(B) Using radioactive materials  
(C) A Minor under 18 years of age  
(D) A Declared Pregnant Worker
- TLD Procedure** If a Thermo Luminescent Dosimeter (TLD) is required:  
(A) Obtain one at User Administration  
(B) Exchange the TLD monthly  
(C) Never wear another person's TLD
- Lead Experimenter** Lead Experimenters must ensure that all safety, training, and reporting requirements associated with their experiment are completed – refer to:  
<http://training.bnl.gov/course/PS-R2A2-LEADEXPRMNT/>
- 

## EMERGENCIES

- TV Monitoring** Users should be aware of the location of television monitors and machine status information
- 

## END STATION / EQUIPMENT

- Equipment Changes** Do not move or change any beamline electronics, detectors or equipment unless you are sure you will not impact vacuum or beamline operations
- 

## DOCUMENTATION

- SAF Content** All experimenters must know the content of the Safety Approval Form (SAF)
- SAF Changes** Significant changes (new materials, significant material increases, new equipment, new users) must be added to the Safety Approval Form (SAF)
- 

## CLOSE OUT

- Notifications** Before you leave the beamline for this visit, notify the Operations Coordinator (OPCO) to close out the experiment and the Safety Approval Form (SAF)
- End of Run Form** Complete the NSLS End of Run Form: [https://pass.nsls.bnl.gov/end\\_of\\_run](https://pass.nsls.bnl.gov/end_of_run)
-
